

Donate Old Cell Phones

Help victims of domestic violence and bring your old cell phones to the IUPUI Health and Benefits Fair on Friday, October 31, 2008. Verizon Wireless will be collecting donated cell phones (from any service provider). The used phones are either refurbished or recycled. With the funds raised from the sale of the refurbished phones, Verizon Wireless uses the proceeds from the sale of any donated phone to fund non-profit agencies and to purchase wireless phones for victims of domestic violence.
